

Anna Spinato

GOCCE DI LUNA

Analcoholic Organic Sparkling Grape Juice Drink

Production area: Italy

Varietal: 100% Organic grapes juice

Trellis system: Guyot

Harvest: Manual, begin of September

Vinification: The pressing is followed by a short cold maceration. Then soft crushing, dreining, cooling, cleaning and finally storage of the grape in sterilized tanks at a temperature of 0° C in order to avoid any alcoholic fermentation.

Storage: 6°C. In a cool location. Away from heat sources. After opening conserve in fridge and consume within 3 days

Service: 2 - 4° C

Dati organolettici:

Color: Light foam and rich perlage. The color is a greenish yellow crystalline

Fragrance: apple, white flowers and fresh grapes

Taste: the leitmotif continues in the mouth with extreme freshness of fruit slightly sour, plums, green apple and white grape

Match: it is a perfect refreshing drink at any time, for a special or informal occasion, with friends or family. Or in alternative with Foie gras, red fruits and candied orange peel.

Additional notes:

Bottle model: Mirage 650 g Sleeve

Weight: cases of 6 bottles. Gross weight 8,5 kg. Net weight 4,5 kg.

Composition E-pal size 80 x 120 - 95 cases
